- We provide each foster parent with 14 paid respite days a year
- We have multiple events throughout the year for our foster children and families including a holiday party, summer picnic, and a Foster Parent Appreciation Dinner.
- We provide on-going and relevant training to our Foster Parents.
- Over 75% of our staff are LCSW-C's with over five years of experience in the field of Social Work
- Social Workers carry an average caseload of seven. This allows them the time to provide maximum support to the foster families.
