

REMEMBER

Memorial Brick Remembrance Program

Honoring those we've lost with engraved bricks

The Arc
Baltimore

With a 65+ year history, The Arc Baltimore has known the loss of amazing people through the years – individuals who we supported to their end, family members who gave of themselves to advance our mission, and staff members who spent careers of dedicated service.

Gifts are often given to The Arc Baltimore in memory of those we've lost. Now a more permanent gift may be offered. A memorial garden patio at The Arc Baltimore's headquarters in Towson can include bricks that are engraved with names and messages to help us remember those we've lost.

Honor the memory of your loved one with an engraved brick or a tree with a plaque at the base.
